“Since its beginning, radio has offered a warm medium for connecting the heart, the head, and the imagination. This delightful collection of Lincoln’s wisdom was seeded in a creative radio show, *Quiet Fire*. It has morphed into a daily companion for readers who connect the dots between time and space to map a new understanding of the chaotic times in which we live. Lincoln’s words resonate more urgently than ever, and Duncan has played alchemist in *Quiet Fire* to one of our country’s greatest souls and distilled an essence that can guide and comfort us.”

Sally Kane, CEO, National Federation of Community Broadcasters.
